Based on anticipated 2018 treatment costs *and* the desire to continue building a contingency fund  
to protect against a future catastrophic event such as a Zebra Mussel infestation,  
where the ability to treat quickly is critical,

**the recommended contribution amount is: \$150 per property**

*Feel free to give more or less, as your individual situation allows.  
Every bit helps and is truly appreciated. Left unchecked, invasive species threaten the safety  
and usability of our lake and detract from property values.*

**Please make checks payable to: "Lake Josephine Improvement Association" and mail them to:  
Jamie Schreiber, 3137 Shoreline Lane, Arden Hills, MN 55112.**

**Thank You!**
