

Note: our fundraising timeline differs from our fiscal year reporting. Our fundraising drive for 2018 offshore treatment started on October 10, 2017. Supporters listed on this page made contributions on or after that date towards 2018 treatment. Every effort has been made to ensure the accuracy of this list. Please contact us to note any changes. THANK YOU to those who have contributed to the 2018 Lake Josephine Improvement Association Fund! Lake Josephine is a beautiful and living treasure, but it is one that is fragile. Your proactive efforts and generous support will help ensure that it remains healthy and vibrant today and for generations to come.
