

2023 Acknowledgement of Supporters

THANK YOU to those who have contributed! Lake Josephine is a beautiful and living treasure, but it is one that is fragile. Your proactive efforts and generous support will help ensure that it remains healthy and vibrant today and for generations to come.

Note: our fundraising timeline differs from our fiscal year reporting. Our fundraising drive for 2023 offshore treatment began on November 2, 2022. Supporters listed on this page made contributions on or after that date toward 2023 treatment. Every effort has been made to ensure the accuracy of this list. Please contact us to note any changes.
